Gambling has been legal in Hungary for over 3 decades since the country signed the Gambling Act of 1991, but the law was mainly promoting the monopoly of TippMix.

Since you can bet on Hungarian sports teams, you can also wager on individual players.

So you cannot only bet on national clubs in the Hungarian leagues but also wager on the national teams when they participate in international tournaments such as the World Cup, EURO, and even the Champions League.

But the domestic competitions aren't that far behind.

Best Mobile Betting Sites & Betting Apps in Hungary The availability of mobile betting has become so important nowadays that it is more of an industry standard rather than a bonus feature online betting sites should have.

But which are the best Hungary betting apps? There is no clear answer to that, mainly because many great mobile apps exist.

Which Hungarian Bookmaker Has the Best Odds? It's fair to say that there is no "best" bookie.

Still, things changed in 2013, when a new EU gambling law was accepted, which allowed international bookies to start offering their services in the country.
